

## **PROCEDURES FOR EMERGENCY CLOSURES Dec 2020**

In the event that we have to close the school the school website will be updated. We will also send out an email via eschools to all families.

The status of the school will be shown on the Gloucestershire County Council website: <https://www.gloucestershire.gov.uk/closures/>

and reported on local radio stations BBC Radio Gloucestershire FM104.7 and Heart FM102.4. There is also a twitter feed available @Glos\_schools, where you can subscribe to text alerts.
