Communication with Parents

Following a request regarding communication with teachers made at the St Briavels parents forum meeting I just wanted to clarify how this will best work. If it is not possible to catch your teachers to chat at the end of the day due to our COVID safe measures then if you have a query or message, please ring the office in the first instance. The office team may be able to help answer your query. If not, then the team in the office can ask your child's class teacher to give you a ring at their earliest convenience. The use of teacher emails enabled us to remain connected during lockdown but now we are in school, please may I politely request that you no longer email your class teacher directly. Many thanks for your support with this.

Executive Head Teacher

The balloons looked colourful and spectacular as they raced across the virtual island. Once the race closes on Friday 4 December, the winners will be announced and prizes distributed, so please keep an eye on our Facebook Group - **Friends of Redbrook School**.
