

Monday 12<sup>th</sup> March

Dear Parents/Carers,

Due to the unfortunate issue of the Federation Mini bus being out of action - the decision has been made to postpone swimming on Tuesday 13th March. We will look into either a refund or arranging another session.

With this in mind - the arrangements for dropping off and collecting KS2 children tomorrow for Science day are now as follows:

KS2 children to be dropped off at St. Briavels School as originally organised. The KS2 children will stay at St Briavels School all day and so will need to be collected from St Briavels school at 3:10pm .

At 12:30 - KS1 children will be transported to St Briavels via parent and staff vehicles. Please could any booster seats be left with Mrs Frey when children are dropped off in the morning. KS1 children to be collected from St Briavels school at 3:10pm as previously organised.

Thank you to all who volunteered to help transport the children.

With thanks for your understanding and apologies for any inconvenience our change of plans may cause.

Mrs. Clare King  
Senior Leader  
The Wye Forest Federation  
St Briavels Primary & Redbrook Primary Schools
